English Composition IV

Walters, M

Narratives
Andrew is a great student. Andrew is doing great in class. He is articulate and a good reader. He grasps the context of the text and is a joy to teach! I look forward to the rest of the term and hearing his ideas on Hamlet.

Pre Calculus

Kurtis, G

Narratives
Andrew seems to be motivated to do well this term, but at times he is talkative. He is encouraged to continue doing his homework assignments and to continue asking questions in class.

Honors Ecology

Fogerty, A

Narratives
Andrew is a great student. Andrew is doing great in Shakespeare class. He is articulate and a good reader. He grasps the context of the text and is a joy to teach! I look forward to the rest of the term and hearing his ideas on Hamlet.

Honors American Government Part A

Doherty, R

Narratives
Andrew is a great student. Andrew is doing great in Shakespeare class. He is articulate and a good reader. He grasps the context of the text and is a joy to teach! I look forward to the rest of the term and hearing his ideas on Hamlet.

Spanish III

Morgan, R

Narratives
Andrew continues to do well in Spanish class. His tests always get good marks and his homework is consistent. My only concern is that his class participation is quite poor. He should be more motivated and active in class.

Intro to Computer Programming

Abernathy, T

Narratives
Andrew has completed all of his assignments satisfactorily, and has shown excellent recall in applying concepts learned during the first two terms as he applies them to projects this term.
